

BREAKTHROUGH INTO THE FUTURE!

The newest innovation in wearable neurotech: **VoxxLife HPT Patches.**

These 48-hour patches, placed on the inside of your forearm, provide all the benefits of Voxx HPT and can be worn easily and inconspicuously no matter what the daily activity.

Wear one every day, or if you already love the benefits of Voxx socks or insoles, have them handy for those days you just need to ditch the footwear and wiggle your toes!

The VoxxLife HPT Neuropatches are:

- Drug Free
- Non-Invasive
- Non-Electrical
- Chemical Free
- Provide Immediate Benefits
- Easy to Use
- Comfortable to wear
- Inconspicuous
- Affordable
- Water Resistant

VoxxLife HPT Neuropatches provide all the benefits of Voxx HPT technology, including:

- More Energy
- Enhanced Pain Management
- Better Mobility
- Reduced Fall Risk
- Improved Stability and Balance

Pricing: Pricing: \$90 for a 30-day supply of HPT Patches
Contents: Hypo-Allergenic Polyethylene Adhesive patch
Single-use only. Effective for 48 hours
